PUBLICATIONS

Orcid: 0000-0002-5986-4060

33 peer reviewed publications (27 research articles and 6 synthesis or policy papers). 889 citations in total, h-index=16 (google scholar). These are the five publications that I am most proud of:

- Diekert F, Mysterud A, Richter A, Rivrud IM (2016): How constraints affect the hunter's decision to shoot a deer, *Proceedings of the National Academy of Sciences*, vol. 113(50), pp.14450-14455.
- Diekert F (2017): Threatening Thresholds? The effect of potential regime shifts on the non-cooperative use of environmental goods and services, *Journal of Public Economics*, vol. 147(2), pp.30-49.
- Brekke KA and Diekert F (2022): Groups discipline resource use under scarcity, *Theory and Decision*, 92, 75–103.
- Diekert F, Eymess T, Luomba J, Waichman I (2022): The Creation of Social Norms under Weak Institutions, *Journal of the Association of Environmental and Resource Economists*, vol. 9(8).
- Diekert F and Eymess, T (2024): Changing collective action: Nudges and team decisions, *Games and Economic Behavior*, vol 147.
